- Down 13.5%
- 189

Followers

- Down 23.2%
- 63 new followers in the past 66 days
- Currently 581 total followers

Note – The decrease in the current numbers can be attributed to the fact that the previous figures were exceptionally high. The subsequent decline doesn't necessarily indicate a negative trend on its own but rather a return to more typical or sustainable levels.

Requests: If you are a healthcare professional or a member of the HFMSNJ please like, comment, or share posts that are put on the LinkedIn page.

If Healthcare members or vendors have information that they think is educational and beneficial for the group overall, please send links to matt@blejwas.com

Any recommendations or suggestions are highly encouraged and appreciated.

Thank you,
