HEALTH CARE FACILITIES™ INNOVATION CONFERENCE

July 21-24, 2024 | Anaheim, CA

This event is the start of a commitment to pioneering innovation, fostering collaboration, and promoting forward-thinking. Whether you're an expert looking to deepen your knowledge or a professional looking to discover new perspectives, this conference provides unmatched opportunities to connect with innovators, acquire valuable insights, and play a role in the future of the health care built environment.

Register today and transform your approach to health care facility management. Join the ASHE Community to learn from your peers.

What to Expect:

Innovation in health care facilities starts here with your peers and the ASHE Community.

This conference is the ideal platform for:

SOLUTIONS. Be the first to see the latest technology and trends that ensure quality patient care.

INSIGHTS. Maintain facilities that are resilient, adaptable, and sustainable in the face of changing demands and challenges.

NETWORKING. Connect with senior leaders, industry experts, and people who can help you achieve your goals.

INSPIRATION. Discover innovative new ideas, best practices, and more to inspire you back at your organization.

Drive Innovation. Elevate Your Impact.

Reimagine what it means to learn, connect, and grow. The redesigned conference experience will empower you with tools and ideas to reshape your organization and drive innovation.

Here's how:

Earn up to 16.5 CECs towards CHC/CHFM renewal, with additional opportunities in pre-conference sessions.

Buzzworthy Sessions:

Learn directly from leaders in the field:

- Using Facility Condition Assessment to Speak to the C-Suite
- Children's Hospital Colorado's Destination 2025: An Innovative Approach to Optimization and Decarbonization
- How Providence Alaska Medical Center Used Automation to Implement ASHE's ICRA 2.0™
- How New York Hospitals Future Proof Their Capital Projects
- How NFPA Code Edition Changes Impact More Than Just the Code
- Powering Health Care: The Challenges and Risks of Lithium-Ion Batteries

ASHE Updates

- ASHE Health Care Facilities Innovation Conference, July 21-24 in Anaheim, Calif.: Registration is open! Please connect with your chapter Board if you'd like to attend and have difficulties with funding. There may be scholarships available, depending on situation and availability. Chapter leaders can also help brainstorm potential options for justification to gain approval to attend.
- The Health Care Leader's Guide to Sustainability and Decarbonization is a guide to help navigate the complexities of sustainability and decarbonization within health care. This guide provides a toolkit of tangible action items for CEOs, boards and trustees, sustainability teams, COOs and CFOs, demonstrating how each can lead the charge in environmental stewardship.
- ASHE Academy registration is open! Join ASHE and other subject matter experts in Indianapolis May 6-10! The Academy is your one stop shop for earning CECs through a personalized learning experience. You can expect to customize your learning experience, learn from trusted educators in the field, earn CECs and network with your peers and field experts.
